# LATEX PAINT DISPOSAL

Water-base paint is not hazardous and should be put in the trash... just make sure it's dry first.

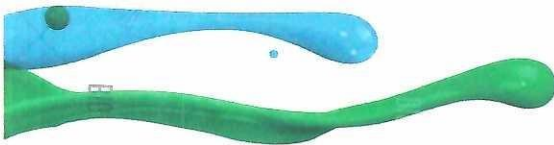

## 1. DRY IT UP

- Air-dry
- Use a drying agent:

Cat Litter  
Saw Dust  
Oil Dry  
(waste paint hardeners)

## 2. THROW IT OUT

- Make sure it's dry
- Discard it in your regular trash
- Leave the lid off so the waste collector can see the paint is hardened
